RE: Tap Room "Tap Take Over" – August 25th

A request has been received from Nayland Chappell, owner and manager of the Sonora Tap Room to host their third 2018 event utilizing Linoberg Street on Saturday, August 25th (see attached letter). Linoberg Street would be closed between Stewart and Washington Streets. Activities would include music, artwork and games and feature Anderson Valley brewing. Attendance is estimated at approximately fifty people. The possession and consumption of alcoholic beverages (beer and wine) would be limited to the business and the confines of the secured area. Entrance would be controlled and security would be provided. The street closure would extend from 4 PM until 11 PM with the event occurring between 5 PM and 10 PM (see attached street exhibit).

The Sonora Municipal Code, as amended by Ordinance No. 827, provides authority for the Council to grant approval to possess and consume alcohol at public parks, streets, sidewalks, and etc. It is recommended that the City Council authorize the possession and consumption of alcoholic beverages, between the hours of 5:00 PM to 10:00 PM, subject to the following:

- Obtain Special Event Permit for the street closure
- Obtain the required ABC license
- Provide the required liability insurance
- Provide exit and no smoking signs, fire extinguishers and occupancy limits as required by the Fire Department
- Provide security staffing at all entrance/exit location(s) as required by the Police Department and limit entrance location(s) as required by ABC
- Place "no alcohol beyond this point" signs at all exits as required by the Police Department
- Place "road closed" and/or "detour" signs as directed by the Public Works Department
- Provide "fenced" enclosure as required by ABC and the Police Department

The Sonora Tap Room is requesting permission from the City to allow beer and wine on Linoberg Street within the proposed area (see attached drawing) on Saturday, August 25th. This event will feature Anderson Valley Brewing, as well as artwork and games. The area will be temporarily blocked off from public use, and monitored with a security person. We also plan to use wrist bands to further monitor those who are of legal drinking age. Also attached here is our special event permit application. We have obtained the necessary permits from ABC, and have the proper insurance documents.
