

ORDINANCE NO. 842

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SONORA TO AMEND CHAPTER 8.35, MEDICAL MARIJUANA DISPENSARIES, OF, AND TO ADD CHAPTER 8.36, CANNABIS BUSINESS REGULATION, TO, THE SONORA MUNICIPAL CODE, RELATING TO CANNABIS

WHEREAS, on October 9, 2015, Governor Jerry Brown signed three bills into law (Assembly Bill 266, Assembly Bill 243, and Senate Bill 643), which are collectively referred to as the Medical Cannabis Regulation and Safety Act ("MCRSA"). MCRSA established the first statewide regulatory system for medical cannabis businesses; and

WHEREAS, in 2016, the voters of California approved Proposition 64 entitled the "Control, Regulate and Tax Adult Use of Marijuana" ("AUMA"). AUMA legalized the adult-use and possession of cannabis by persons 21 years of age and older and the personal cultivation of up to six cannabis plants within a private residence. However, AUMA authorizes local jurisdictions to reasonably regulate personal cultivation; and

WHEREAS, on June 27, 2017, Governor Jerry Brown signed into law the Medicinal and Adult-Use Cannabis Regulation and Safety Act ("MAUCRSA"), which created a single regulatory scheme for both medical and adult-use cannabis businesses. MAUCRSA retains the provisions in the MCRSA and AUMA that granted local jurisdictions control over whether businesses engaged in commercial cannabis activity may operate in a particular jurisdiction; and

WHEREAS, on May 23, 2017, the City Council of the City of Sonora ("City Council") held a public meeting to discuss the regulatory framework of cannabis in California and ultimately moved to form a Marijuana Working Group (the "Working Group"). The goal of the Working Group is to make recommendations to the City Council concerning the local regulation of cannabis for the City Council's consideration; and

WHEREAS, the City Council desires to consider and establish a comprehensive policy to address both personal and commercial use of cannabis within the City of Sonora ("City"); and

WHEREAS, the City Council finds that (1) reasonable regulation of the personal cultivation of adult-use cannabis is appropriate for the health and safety of City residents; and (2) the City is currently reviewing the Working Group's recommendations to draft a comprehensive policy for all cannabis businesses but since that policy will not be complete prior to January 1, 2018, a temporary ban on all cannabis businesses within the City is appropriate; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SONORA DOES ORDAIN AS FOLLOWS:

SECTION 1. Chapter 8.35, Medical Marijuana Dispensaries, of the Sonora Municipal Code is hereby deleted in its entirety and amended to read as follows:

Chapter 8.35 Personal Cannabis Cultivation Regulation.

8.35.000 Findings and Declarations.

- A. The Federal Controlled Substances Act, 21 U.S.C. § 801 et seq., classifies marijuana as a Schedule 1 Drug; which is defined as a drug or other substance that has a high potential for abuse, that has no currently accepted medical use in treatment in the United States, and that has not been accepted as safe for use under medical supervision. The Federal Controlled Substances Act makes it unlawful under federal law for any person to cultivate, manufacture, distribute or dispense, or possess with intent to manufacture, distribute or dispense marijuana.
- B. On November 8, 2016, California voters passed Proposition 64, the Adult Use of Marijuana Act ("AUMA"). AUMA legalizes the cultivation, commercial sale, and possession of recreational cannabis for adults age 21 and older under state law. AUMA prohibits the City from entirely prohibiting personal cultivation for adult use of cannabis inside a private residence; however, it does allow the City to impose reasonable regulations on the practice.
- C. The City Council finds that cultivation of cannabis for adult use can adversely affect the health, safety, and well-being of City residents. Reasonably citywide regulations are proper and necessary to avoid the risks of criminal activity, access by persons under twenty-one (21), degradation of the natural environment, malodorous smells, and indoor electrical fire hazards that may result from such activities.
- D. The City Council believes that the regulations specified below for the cultivation of cannabis for personal uses are reasonable and allowable under AUMA.

8.35.010 Purpose.

The purpose of this chapter is to prescribe reasonable regulations for the cultivation of cannabis for personal use pursuant to California Health and Safety Code section 11362.2(b).
